Total	\$

III. PROJECT NARRATIVE

Instructions

Please provide the following information about your project. Your brief proposal narrative should be no more than four double-spaced pages, typed in 12-point font. Attach your answer. Your response must be typewritten. Be sure your name is at the top of each attached sheet. The proposal should be in traditional narrative format. Be sure to address the following points.

- a) A brief description of the topic to be addressed and its significance;
- b) A statement of the project's principle objectives;
- c) A description of the research or evaluation methodology (or demonstration approach) to be used;
- d) A description of how the project findings would complement related work already completed or currently underway;
- e) Plans to disseminate the research findings, including target audiences;
- f) The qualifications of the applicant and key project staff.
