Community Support Program Grant Application

Please fill out each section as completely as possible and either submit an electronic copy by Email (per the "Submit by Email" button above) or mail a printed copy to the National Motorists Association (*Attention: CSP Review*) at the address provided above.

Program Goals:

1. Apply financial resources to local or regional projects that protect or further enhance drivers' rights through the reform of traffic law and public policy.
2. Extend NMA influence to a wider array of communities by encouraging citizens to get actively involved in drivers' rights issues.

Program Guidelines:

1. Applicant must be current supporting (paid) member of the NMA or has donated at least $20 to the NMA or NMA Foundation during the grant application year.
2. CSP funds may not be used to make donations to political candidates or parties.
3. Project management must be on a volunteer basis, i.e., CSP funds cannot be used for payment of salaries or reimbursement of indirect overhead expenses.
4. Grant applications will be judged on overall beneficial impact on a range of drivers, on the chances that the proposed project will produce the desired results, and by a commitment by the applicant(s) to drive the project to completion.
5. The NMA CSP Review Board, consisting of the three NMA Directors and two at-large NMA members has final authority in approving grant awards, in determining grant size, and in approving project expenditures.
